Oh those lazy, hazy, crazy days of Summer! Days spent lounging by the sparkling pool, playing some bocce ball with friends, enjoying a barbecue...this private oasis can be yours to enjoy while summer is still here. Oh yes, this lush backyard comes with a warm, inviting home. When the weather turns colder, you can cozy up to the fireplace in the living room or host holiday dinners in the dining room. Maybe you crave some quiet time at the end of the day as you prepare dinner in the kitchen and family gathers in the adjacent den. But if you need to retreat to some time away, there's the lower-level rec room with bar and a separate office or gym. It's a special place looking for a lucky, new owner. Did we mention the low, low Paramus taxes??
